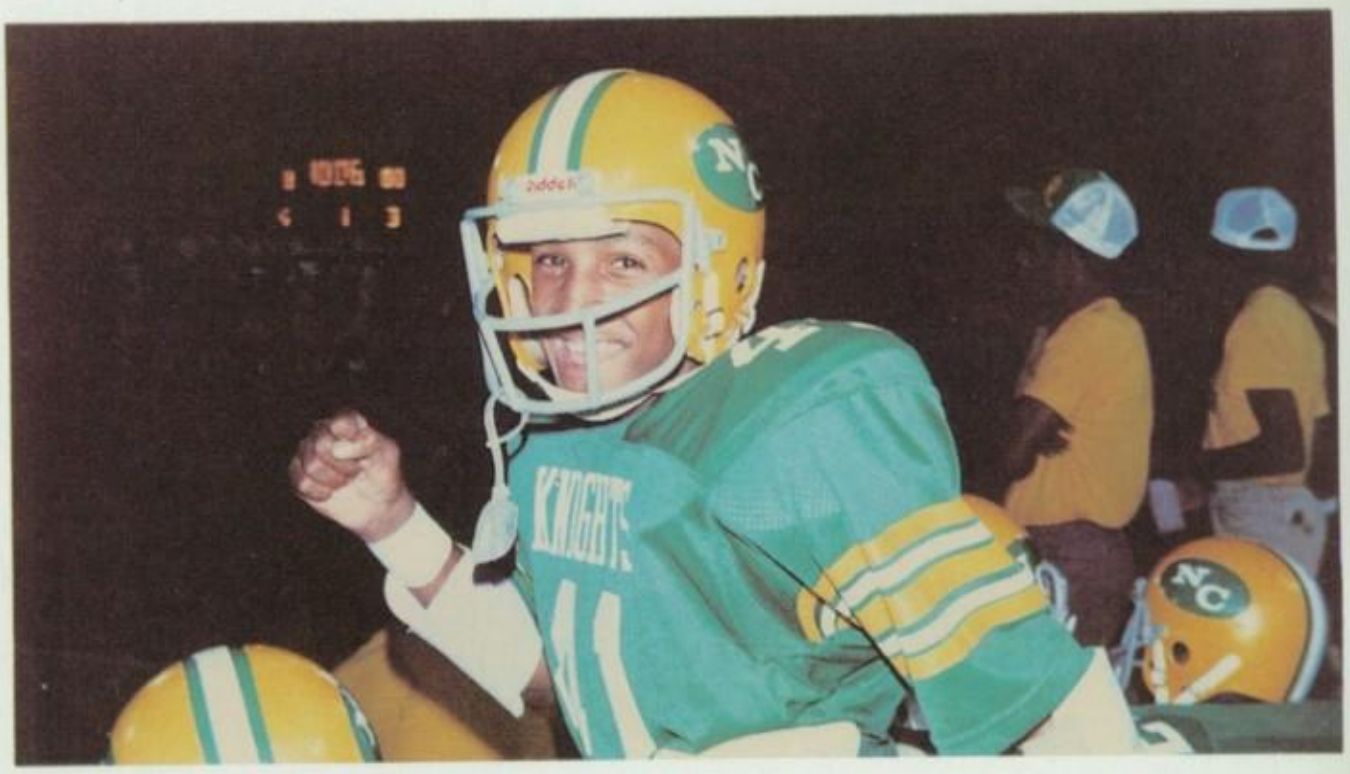
STRENGTH IN UNITY

KNIGHT LIFE



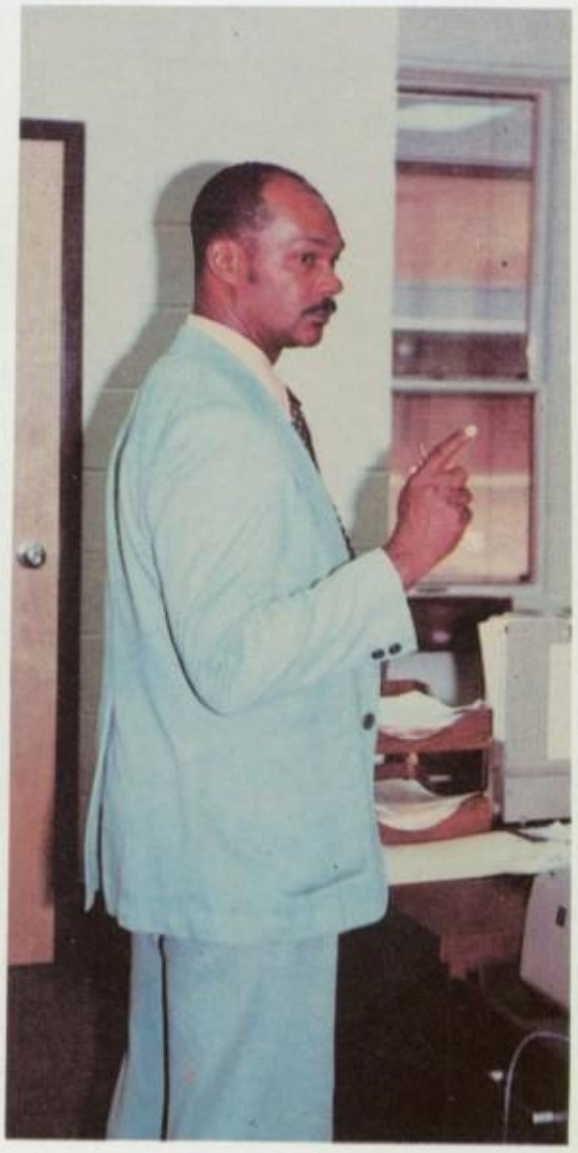
A NEW BEGINNING, new school, new student body, new administration, new faculty, new classes, new friends to make, new friends to date. In the beginning we were hesitant, and afraid to make the first move, but we soon learned that everyone felt the same way, wanting to get involved but not quite knowing how.

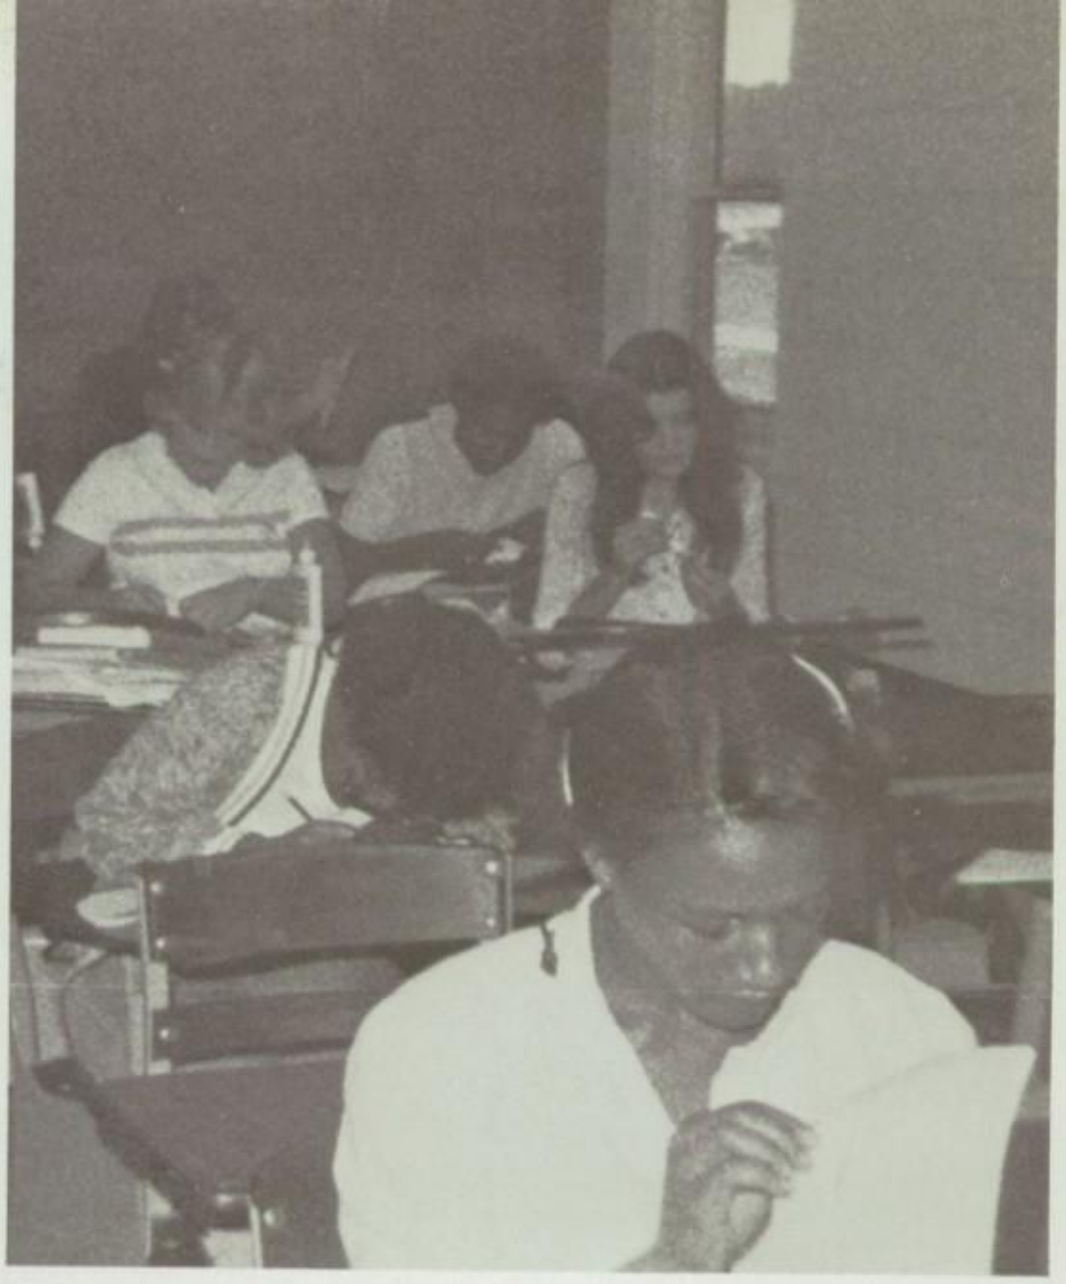
THE FIRST DAYS we were lost, looking for the right pod, the cafeteria, the lecture theater, the media center, (could that be the library?), lockers, (if you were lucky enough to have one), the right restroom, the Ombudsperson, and the office.

AS TIME WENT ON, we realized that the school wasn't as large as we had thought, and we could get to class in five minutes. New classes of Advanced Composition, ROTC, Crafts, and Band gave us a chance to explore new fields of study.

REMEMBER . . . No water? No trash cans? No pencil sharpeners? Cold lunches? And no place just to hang out?

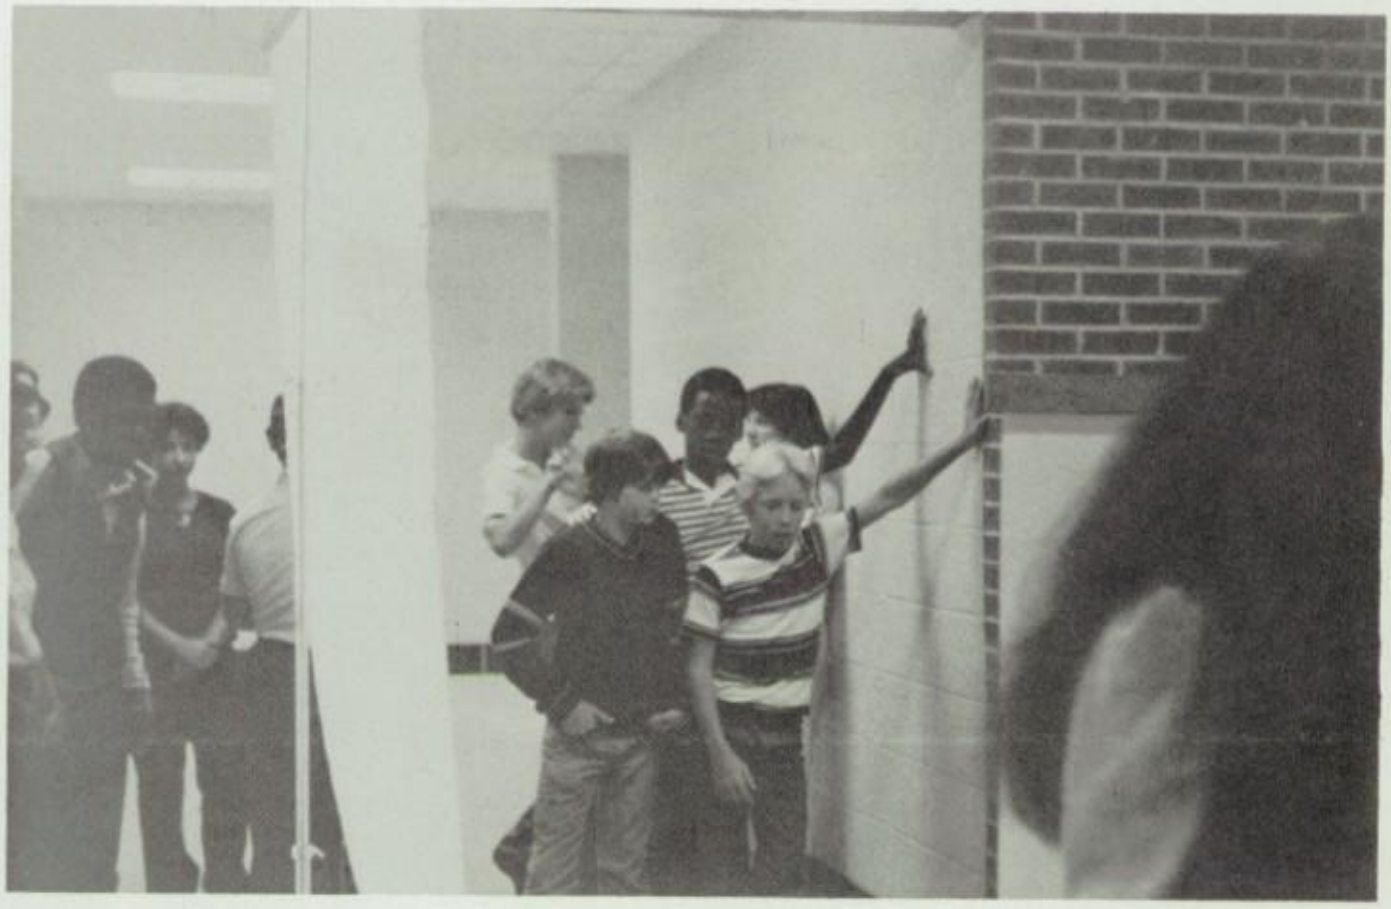
DESPITE ALL THIS, we made it through, had a lot of laughs along the way, and even learned a little here and there. The pieces of the puzzle have all fit together, and we have gained strength in our unity.





Some things never change. In the fall, our first seniors measured for caps and gowns, some students suited up for ROTC, while our new cheerleaders proved themselves typical by gossiping more than they cheered. Teachers still had hall duty and our classrooms still had rowdy children as well as serious students.

Our first sidewalk art show promised better things to come.



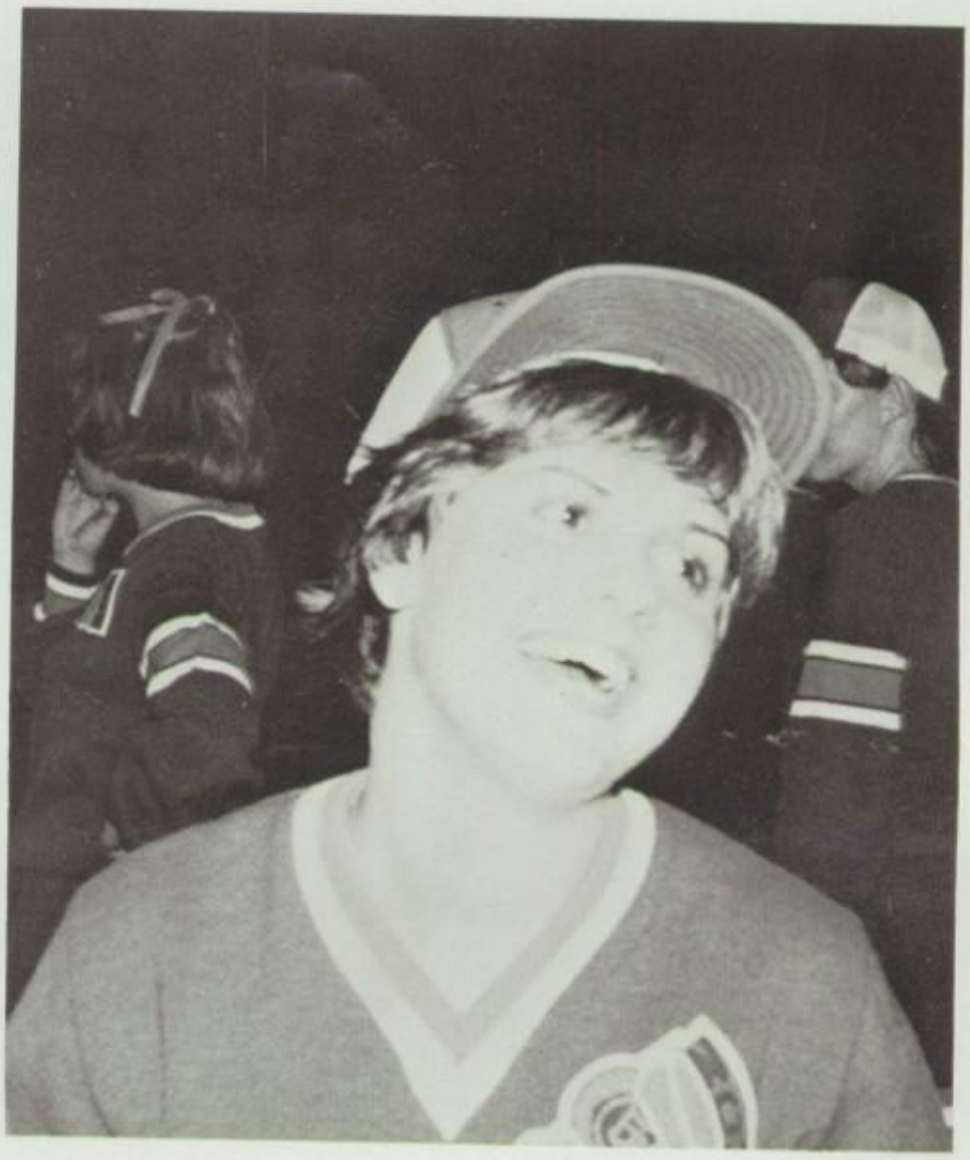
Eighth graders support the school..

From Mrs. Cameron's class . . .

Some have sex appeal . . . some don't.

O.K. Mrs. West let her out.

a jolly NA-NU NA-NU!



Did you really see the pope?

Nine weeks of school and Lee can count to five.

New lunchroom, same old lunch.

Standing in the lunch line, wondering if you'll ever get to the front and then, wondering if it was worth the wait.

Are you waiting for your knight in shining armor?

C'mon Mrs. Riley, what's the governor really like?

When someone told Mrs. Teal not to look at the keyboard, she took them seriously.

Karen and Donald share a laugh as Andre takes mental notes.

Fifties day at North Central was really wicked. Out from the closets came leather jackets, poodle skirts, and bobbie socks. These guys with duck tails and girls with pony tails were ready for hoppin' and boppin'. Even teachers got in on the act. Fifties day was something to remember!

IN MEMORY OF LARRY SMITH . . .

REMEMBER me when I am gone away,
Gone far away into the silent land;
When you can no more hold me by the hand,
Nor I half turn to go, yet turning stay.
Remember me when no more, day by day,
You tell me of our future that you planned;
Only remember me; you understand
It will be late to counsel then or pray.

Yet if you should forget me for a while
And afterwards remember, do not grieve;
For if the darkness and corruption leave
A vestige of the thoughts that once I had,
Better by far you should forget and smile
Than that you should remember and be sad.

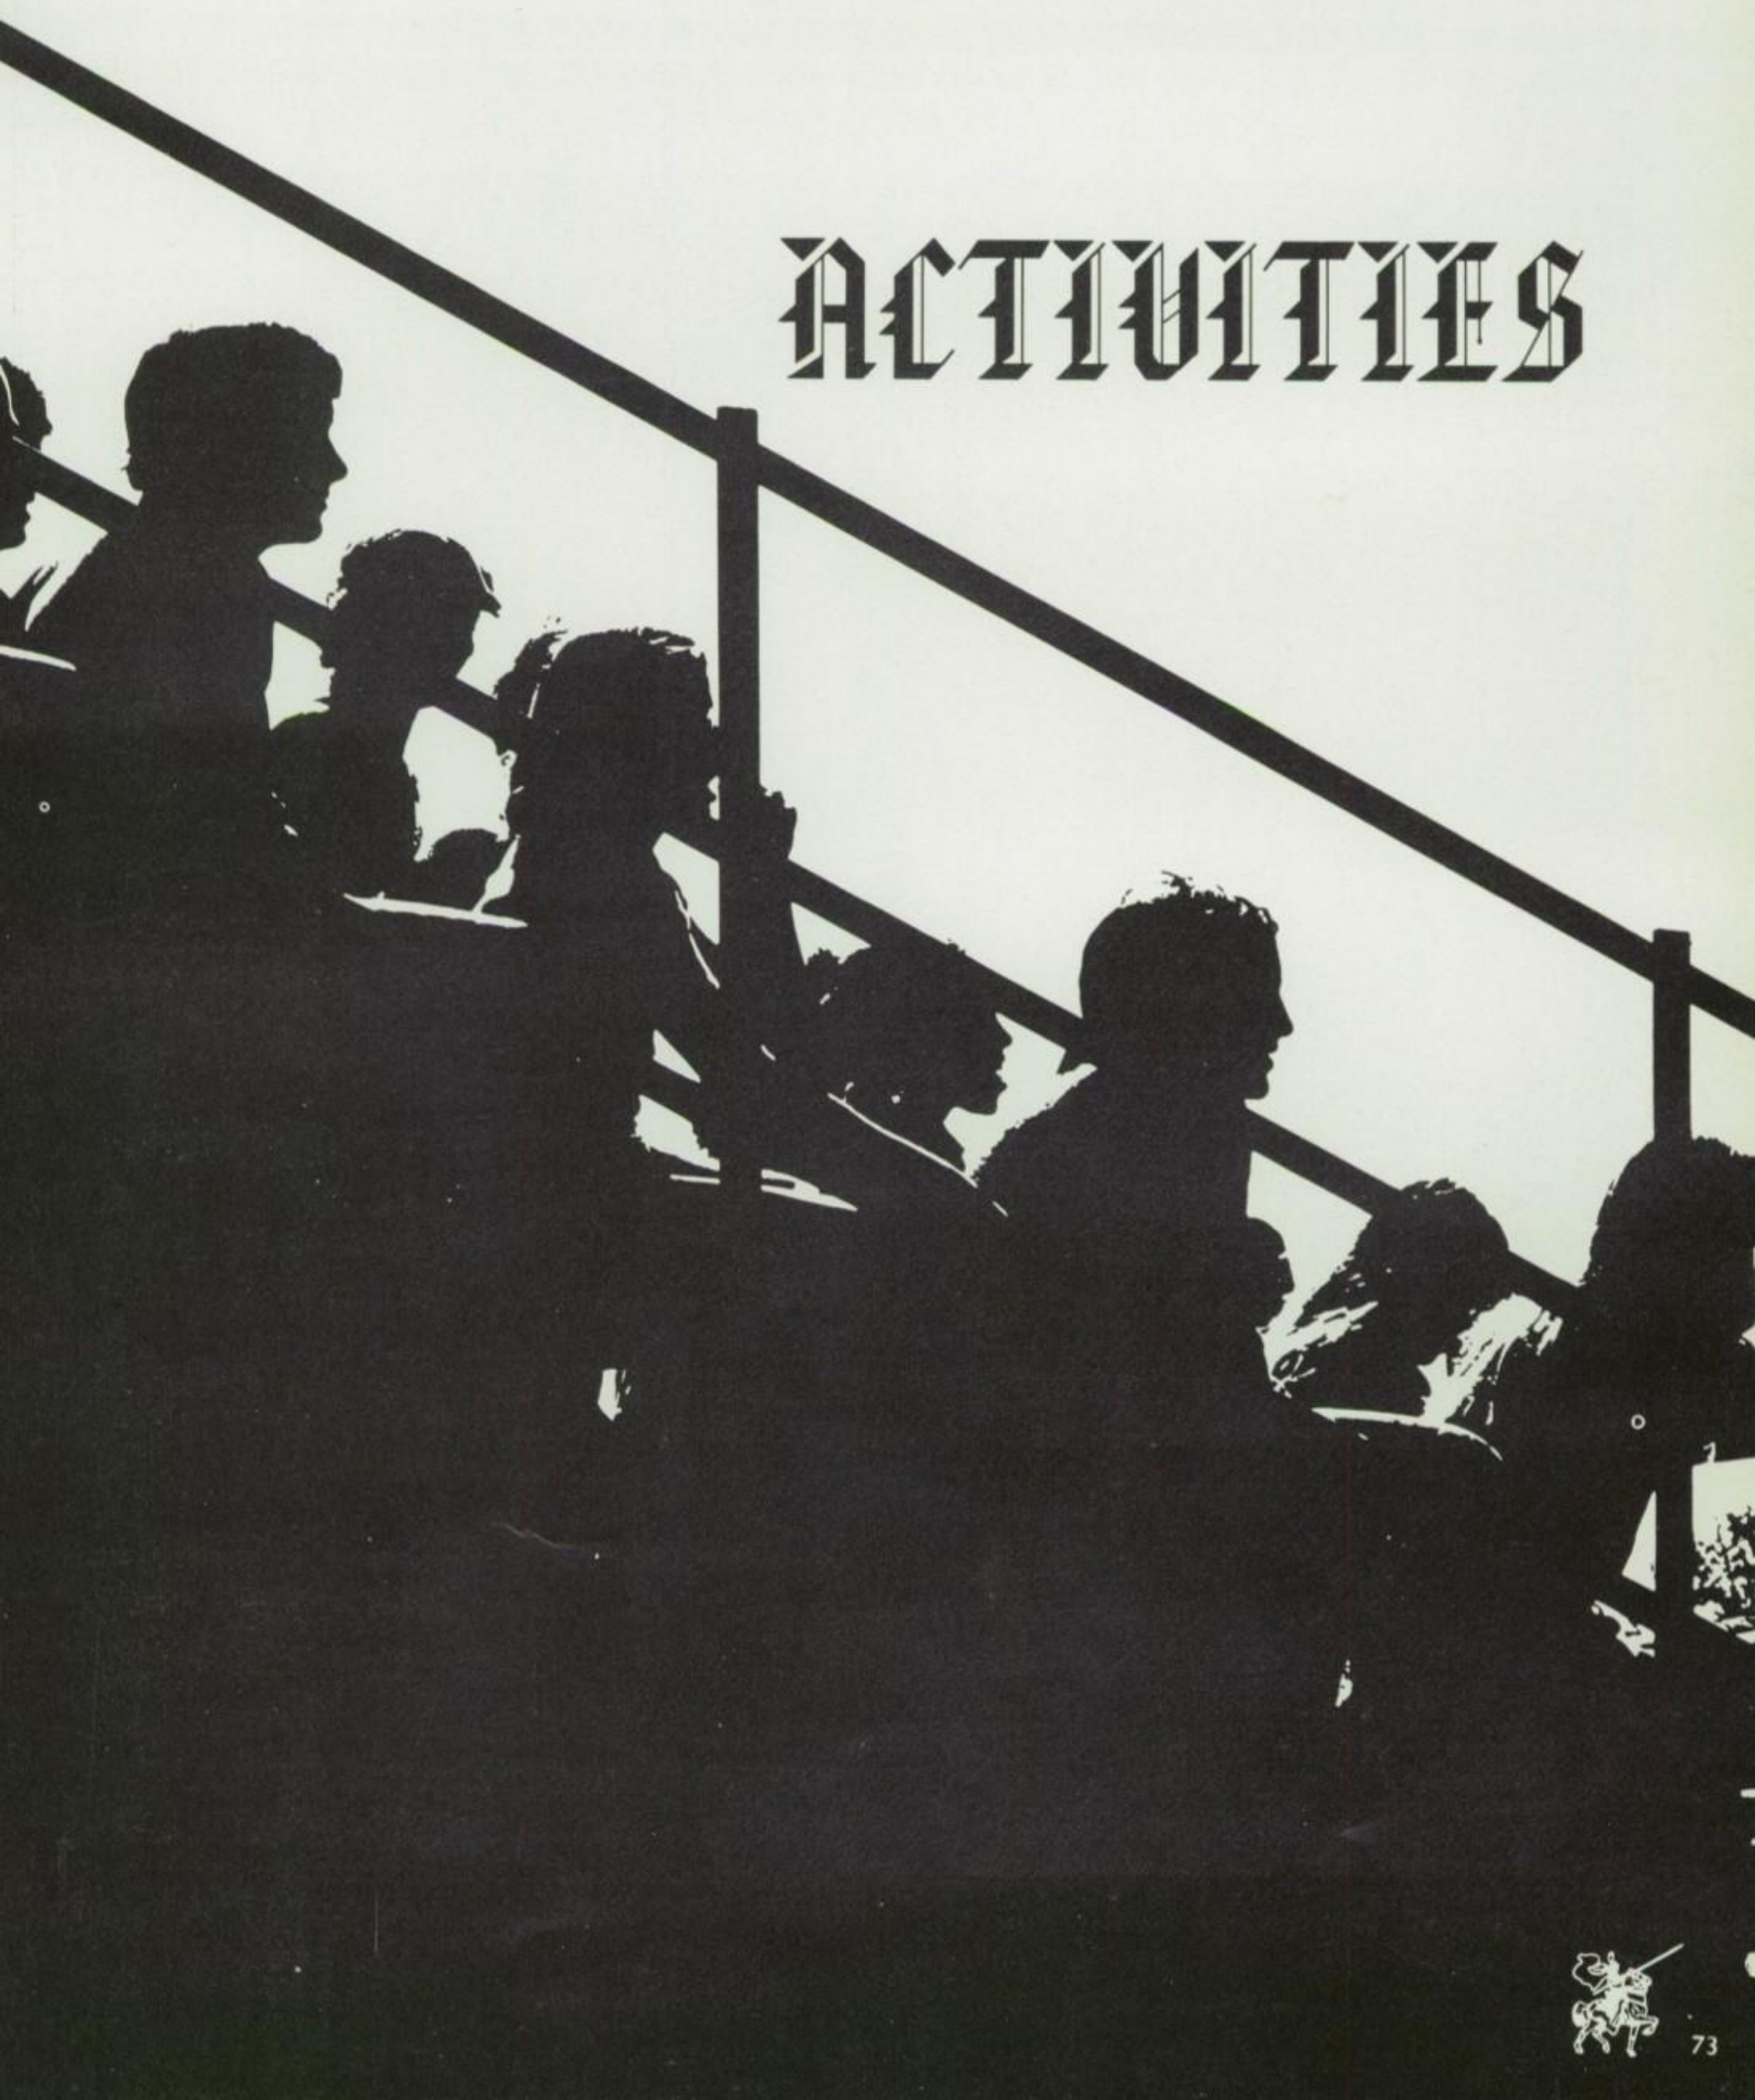
ACTIVITIES



HOMECOMING '79

Henrietta Salmon, HOMECOMING QUEEN '79 . . . escorted by Henry Strover, sponsored by Micheal Carter

North Central's first Homecoming was quite a success. Even though we didn't win the game, a lovely new Homecoming queen, Miss Henrietta Salmon, was crowned. Miss Keppie West was chosen as first runner-up, and Miss Holley Ogburn recieved the honor of second runner-up. There was a great turnout of Knight supporters to experience these events, and as each moment passed, our spirit and unity just seemed to grow stronger and stronger.

OUTSTANDING STUDENTS

Many students at North Central were honored, either for services rendered to the school or for their scholastic achievements. Some took place over the summer months and some during the school year. All honors were a result of hard work and dedication.

Pictured below are the senior Marshalls. They were choosen for this honor because they had the highest grade average in their class. These Marshalls were ushers for the 1979 graduating class.

Extra curricular activities are a vital part of the academic program at North Central. There are many opportunities for students to pursue their greatest interests, as can be seen by the many students taking part.

Mike West was a participant in the 1979 Governor's School at Charleston; Shirley Turner, a winner in the 4-H Junior Leadership Club, anxiously awaits her trip to Washington, D.C. and Barry McNaughton won the annual Voice of Democracy contest in Kershaw County.

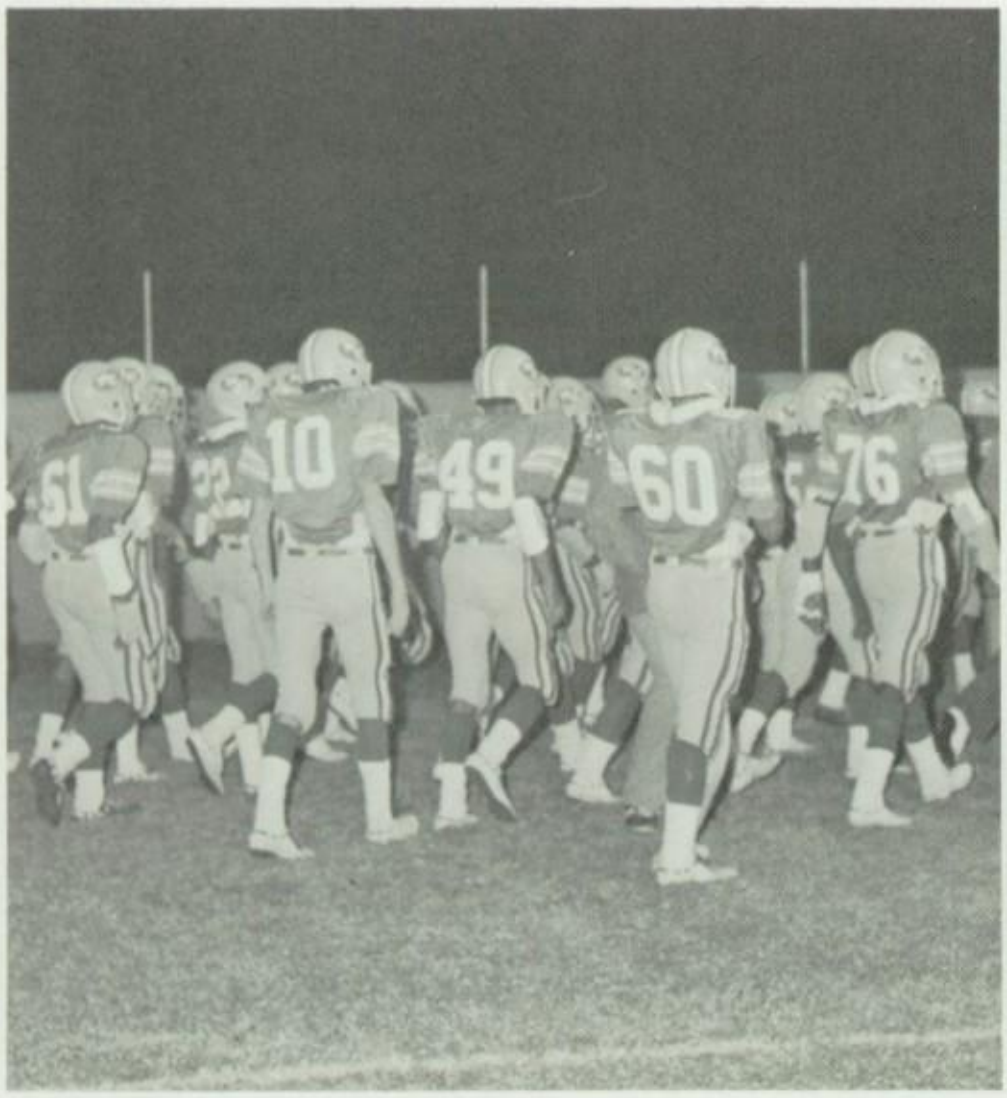
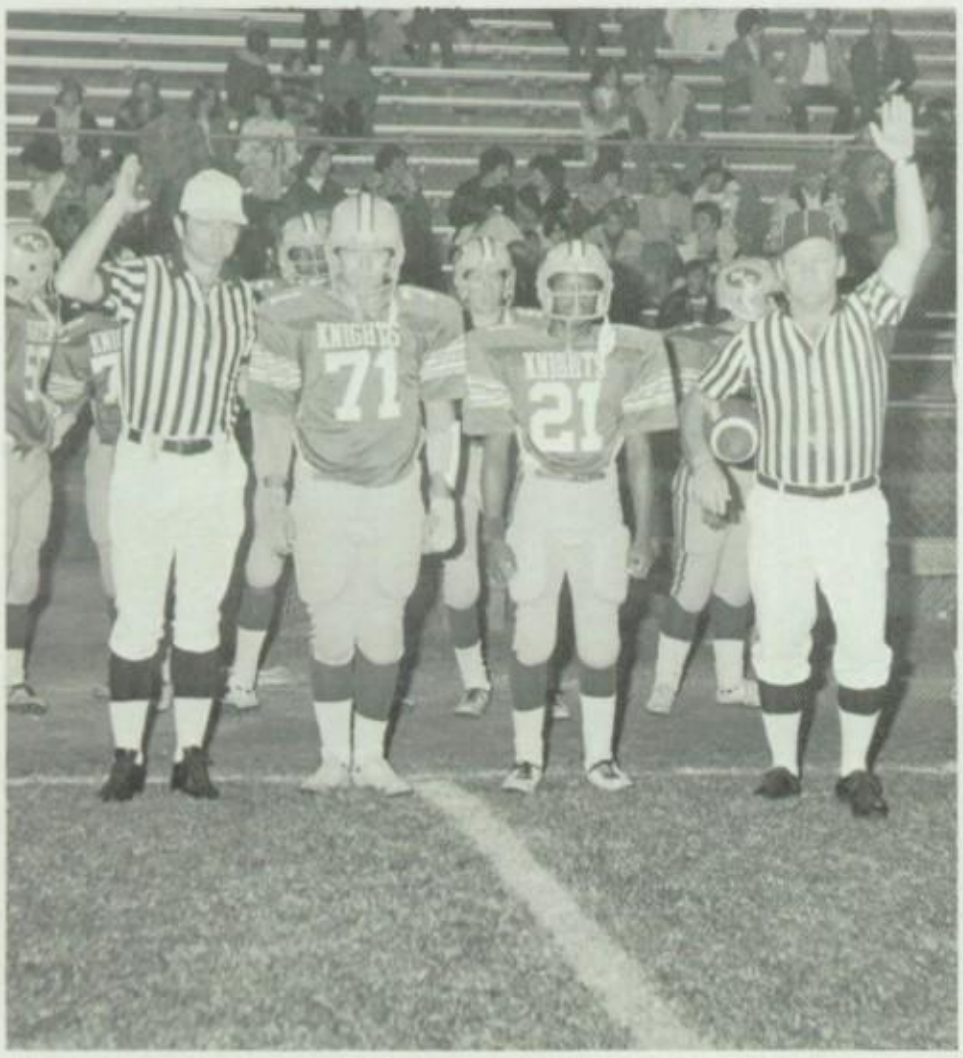
Gee, I wish I could get in the game!

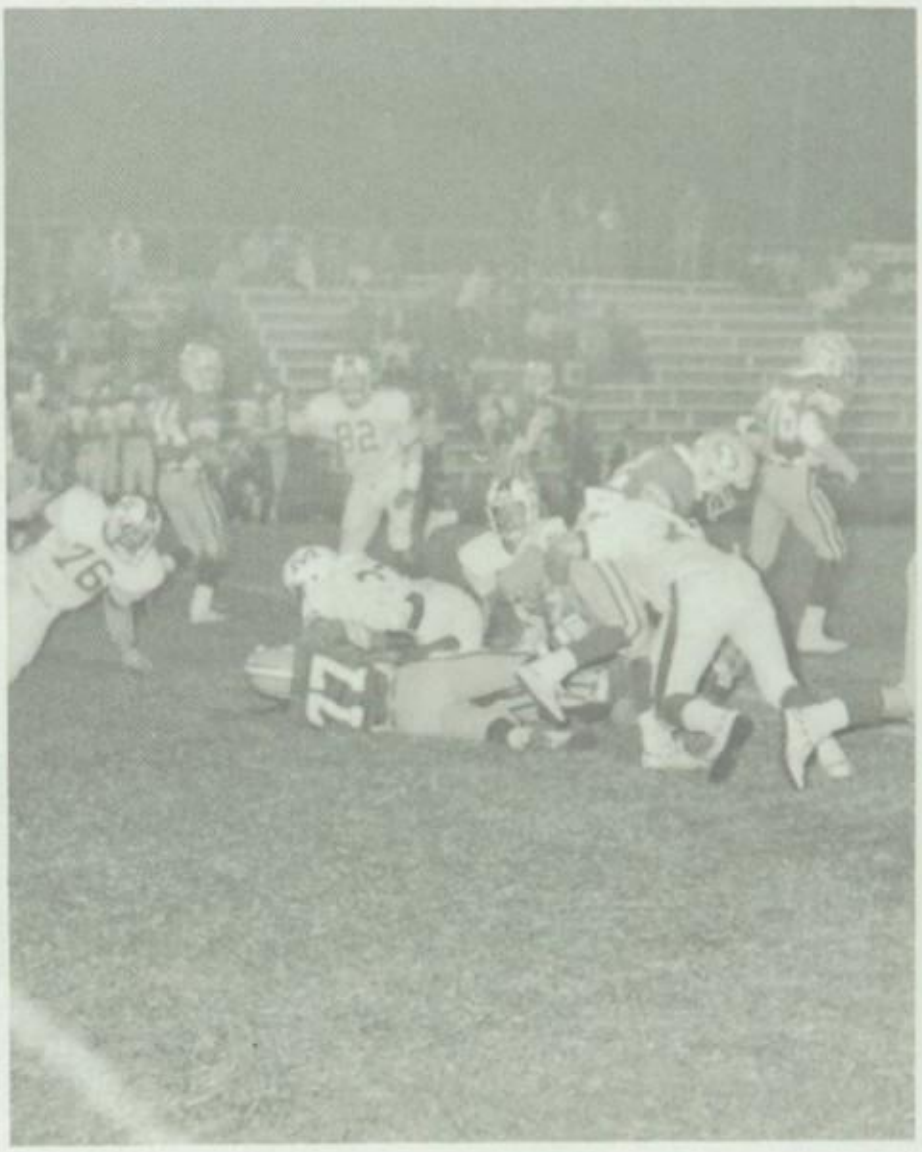


Wait guys! The game's not over yet!

Knight Action



It's Howdy Doody time!



NORTH CENTRAL'S FIRST FOOTBALL SEASON

With new friends made and new challenges accepted, everyone involved in football began the season with an open mind and a cooperative attitude.

As the season progressed and the games passed, the victories were valued and the losses were accepted as future challenges. The players spent many long, hard hours trying to be the best. Through all their hard work they became North Central's famed first football team.

Unity was built this year and with new friendships and lasting memories in mind the Knights are very proud of the football team for all they encountered and achieved.

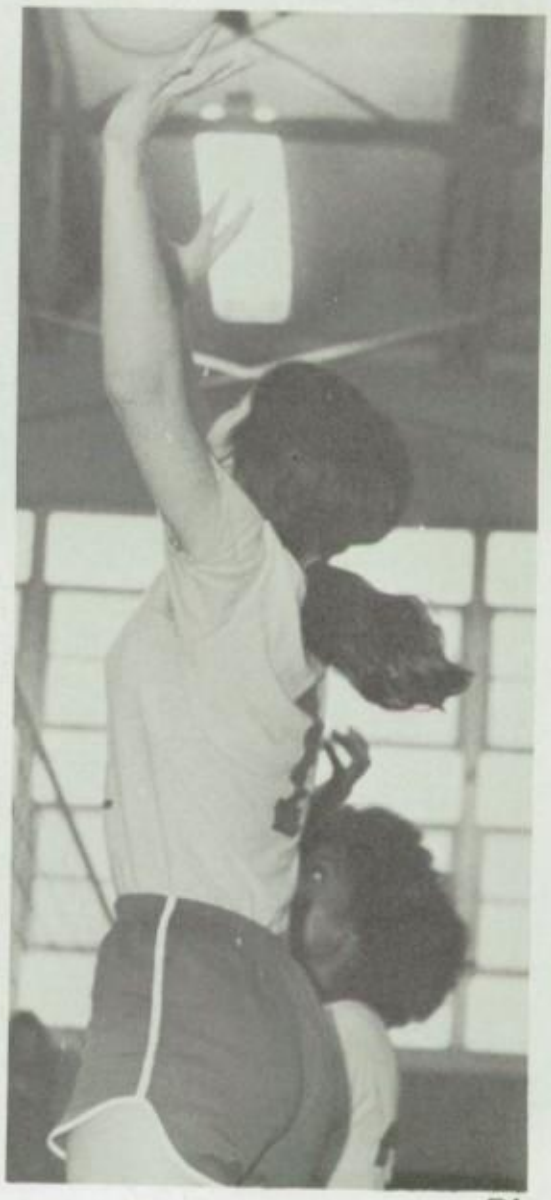
BUMP SET SPIKE

"Bump, set, spike it; that's the way we like it!" This is only one of the many cheers the Lady Knights chanted on their way to a winning season in one of the fastest growing sports, girls volleyball. Coach Wilkes and the girls had an impressive year, finishing fourth in the state, which is quite an accomplishment for the first North Central High volleyball team.

Will Maxine catch Marney?



VARSITY

North Central's basketball team developed a nice habit this year, winning. The boys really worked hard together, and all of their hard work paid off. The Knights, led by Coach Gardner, went on to complete a winning season. Every game was a challenge, but determination, spirit and a lot of skill helped the team win most of their games. We were proud of this years super basketball team. With the talents of two teams combined, our first Knights could hardly do anything but win.

Spencer's up for two

The Junior Varsity Program is the building ground for future varsity players. Already in the short existence of North Central High, basketball has become a tradition. Due to this fact the Junior Varsity coaches are aware of the challenge that has been placed upon them to prepare these young men and women for the tough competition that awaits them in our new conference. However, through hard work and dedication from both players and coaches the tradition will carry on for many years to come.

WOW! Is it really a touchdown?

OK Girls — Hold that for three seconds.

What's everybody doing? Checking their pantyhose?

Smile — You're supposed to be a ***Cheer****leader.*

The cheerleaders were chosen from all three schools that consolidated this year. We had two cheerleaders from the University of South Carolina judge our abilities and attitudes towards the cheering life. Through the help and hard work of our sponsor, Miss Emma Jordan (left), we've come a long way and accomplished a lot. We were most noted for having the largest squad in our conference, consisting of fifteen cheerleaders.
